### REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Instant claims 1-17 and 20-21 are allowable for the reasons of record found in Applicant's Remarks dated February 4, 2004. Specifically, it is not an inherent certainty that the prior art of record teaches a step of oxidizing the acrolein polymer prior to mixing the oxidized acrolein polymer with a solvent and heating the resulting mixture to improve the antimicrobial activity of the acrolein polymer, as required in the instant claims.

Accordingly, the claims viewed as a whole would not have been obvious to one of ordinary skill in the art at the time of the invention after viewing the prior art of record.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Brian Mruk whose telephone number is (571) 272-1321. The examiner can normally be reached on Monday-Thursday from 7:00 AM to 5:30 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Yogendra Gupta, can be reached on (571) 272-1316. The fax phone
